DETAILED ACTION

1. Claims 1-25 are pending in the present application.
2. Claims 1-20 and 22-25 have been amended.

Information Disclosure Statement

3. The information disclosure statement (IDS) submitted on September 9, 2004 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner, note attached copy of form PTO 1449.

Drawings

4. The drawings were received on January 31, 2006. These drawings are acceptable.

Allowable Subject Matter

5. Claims 1-25 are allowed.
6. The following is an examiner's statement of reasons for allowance:
Applicant's amendment and response filed January 31, 2006 overcomes the prior art rejection of claims 1-25 under 35 USC 103(a) citing Kanda, Rothschild et al. and Stoodley. The prior art of record fails to teach the combined elements of an image radiographing system and method as cited in the independent claims. Specifically the

feature of a portable radiographing apparatus or portable terminal as cited in the claims is not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

7. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
